Please contact Jackie Johnson (402-471-0195) to see if these training dates are still available for your new staff training. Training Sessions close 2 weeks prior to the start of each training if we have no trainees signed up to allow coaches to be reassigned to work at their own clinics, so do not wait until the last minute to request a training.

At this point in time, due to the Pandemic, trainings are done remotely via Zoom. Training typically runs 2.5 hr in the morning and 2.5 hr in the afternoon each day according to the schedule below. The schedule, however, is subject to change based on clinic schedules and coach availability:

<i>Date</i>	<i>Meeting Times</i>	<i>Zoom Invites to Join</i>
<i>Day 1</i>	<ul style="list-style-type: none"> • 9:30 – 12:00 CT • Coaches break • 1:30 – 4:00 CT 	<i>Coach will send Zoom invite links out in the morning</i>
<i>Day 2</i>	<ul style="list-style-type: none"> • 9:30 – 12:00 CT • Coaches break • 1:30 – 4:00 CT 	<i>Coach will send Zoom invite links out in the morning</i>
<i>Day 3</i>	<ul style="list-style-type: none"> • 9:30 – 12:00 CT • Coaches break • 1:30 – 4:00 CT 	<i>Coach will send Zoom invite links out in the morning</i>
<i>Day 4 If needed</i>	<ul style="list-style-type: none"> • 9:30 – 12:00 CT • Coaches break • 1:30 – 4:00 CT 	<i>Coach will send Zoom invite links out in the morning</i> <i>Typically 4 training days are needed in order to ensure enough time is allowed to practice with clients in live clinic</i>
